Chardonnay du Monde

This event is unique in terms of its scope, its method and therefore its ambition:

International in scope:

- More than 35 countries.
- More than 900 wine samples.
- More than 300 international expert judges, including 55% from outside France.

A strict method:

- Compliance with international wine competition rules.
- Guaranteed implementation of scoring criteria for international competitions.
- Rigorous selection of the panel of expert judges.
- Training in tasting methodology at the [Institut Paul Bocuse](#), with individual assessment of each taster.
- Faultless, quality-driven organisation: limitation of the number of wines per jury and ideal tasting conditions (sensory isolation, proper tasting rhythm, etc.)
- Secure computer processing of results by the [Services Actions Qualité](#) company.

Ambition:

- To award reliable and thus representative medals each year, reflecting the founding motto of Chardonnay du Monde[®]: diversity, quality and high standards.
